## Accessibility

The transit service is handicap accessible to provide transportation for the disabled community. The lift-equipped vehicles meet Americans with Disabilities Act (ADA) requirements.

Be sure to indicate the need for a lift-equipped vehicle and/or additional assistance at the time you make your trip request.

Drivers will assist individuals in safely boarding and exiting from the vehicles. Individuals with mobility impairments who need special assistance in navigating to and from the vehicle should have a Personal Care Attendant (PCA) ride with them. When the bus operator is notified, PCAs ride for free.

For the hearing and speaking impaired, please dial 711 to reach your state's telecommunications relay service (TRS) to get direct assistance.

Southwest Georgia Regional Transit reserves the right to refuse service to any individual that engages in conduct that presents a direct threat to the health and safety of others.
